Wednesday	Page 13
Thursday	Page 16
Friday	Page 20

INTRODUCTION

A key element of life at Phoenix House is our enrichment program, which we believe significantly enriches children's learning experiences, complementing our academic curriculum. Our wide array of clubs is carefully crafted to offer excitement, challenge, and opportunities for developing confidence and teamwork. The dedicated Phoenix House team is focused on creating new avenues for our pupils to explore.

The extra curricular clubs allow pupils to pursue new interests and expand their skill sets. We encourage them to venture beyond their comfort zones and try activities they may not have encountered before. These experiences are designed to spark curiosity and facilitate personal growth in multiple areas.

The Summer Term club schedule will begin on Monday 13th April. If your child is joining an extra curricular club, please remember to send them with an extra snack for the day. At the end of each after school club, pupils can be picked up, walk home on their own, or take the school bus, which will leave at 4:55 pm. Families can register for the clubs through our online booking platform, SOCS during the advertised sign-up window.

THROUGH CLUB INVOLVEMENT, WE AIM FOR PHOENIX HOUSE PUPILS TO:

- Broaden current interests and passions
- Learn new skills
- Develop leadership and interpersonal skills
- Build confidence
- Improve team work skills
- Work with children from different year groups
- Consistently demonstrate the Phoenix House values

This Clubs Brochure is designed to give you an overview of the clubs Phoenix House will have on offer in the Summer Term.

EXTRA CURRICULAR CLUBS

MONDAY

Little Artists (Prep 1-2)

Art Studio Sessions. An opportunity to roll up your sleeves and get stuck into art activities in the Studio! Drawing, painting, printmaking, clay, collage, sculpture...

Beginners French (Prep 1-4)

Children across all abilities are welcome to work with their peers and teachers to develop communication skills. Much like our other language clubs, the emphasis will be on speaking and listening, and sparking an interest in the language and culture.

Lego Club (Prep 1-6)

In Lego Club, pupils will build individual and group projects, from simple structures to complex designs, based around a weekly theme. The club fosters creativity, teamwork, and hands-on learning, helping pupils develop engineering skills, improve fine motor abilities, and have fun while solving challenges.

Hama Bead Club (Prep 1-6)

Calling all crafting kings and queens... come and join Hama Bead Club and use the fuse beads to create imaginative designs, which are then ironed and ready to take home. You can use the templates to guide you or make your own unique designs - the options are endless!

Orchestra (Prep 2-6)

Orchestra is a large music ensemble consisting of Violin, Viola, Cello, Flute, Clarinet, Oboe, Trumpet, Trombone, Tuba and Percussion. Our school orchestra gives children the chance to play orchestral classics from Tchaikovsky to Pirates of the Caribbean, whilst simultaneously developing their ensemble performance skills. The school orchestra offers regular performance opportunities, so pupils must be able to commit to weekly rehearsals throughout the year. Please note: this club is only for pupils who have 1:1 lessons on any of the instruments listed above. Please ensure that your child is able to read music and play their instrument independently before joining this club.

Creative Writing (Prep 2-4)

Do you like storytelling, creating magical worlds and inventing mysterious characters? Creative Writing Club will give you the chance to show off your imagination as we dive into different settings and let your creativity run wild.

Stop Motion (Prep 2-4)

Let your creativity be explored through stop motion! We will be learning how to use a stop motion iPad app to create an animation. This club will explore various means to create the animations. This club will be focusing on intricacy and will have an emphasis on being mindful of detail.

Art Club (Prep 3-4)

Art Studio Sessions. An opportunity to roll up your sleeves and get stuck into art activities in the Studio! Drawing, painting, printmaking, clay, collage, sculpture...

Cooking Crew (Prep 3-4)

This is the perfect club for all our budding young chefs. We will be measuring ingredients, following recipes, and cooking up a storm in the kitchen. There will be a small additional charge to cover the cost of ingredients.

Please note: due to the popularity of this activity- you will only be able to attend for one term per year.

Journalling Club (Prep 3-6)

Come and explore the joy of writing in our fun and creative Journalling Club! Whether you love telling stories, drawing your thoughts, or jotting down your daily adventures, this club is the perfect place to express yourself. Each week, we'll dive into exciting prompts, doodle pages, and personal reflections to help your imagination grow.

Speech and Debate (Prep 3-6)

Phoenix House Speech & Debate Club will be a space where children with big ideas can share their opinions, whilst opening themselves up to alternative views and ways of thinking. Members will be able to put their knowledge of subjects they are passionate about into action, then demonstrate their understanding and engage constructively with other club members holding opposing beliefs. In Speech & Debate Club, everyone has a voice.

Cheerleading (Prep 4-6)

At Phoenix House, we want to create a positive environment during our sporting activities. Our cheer squad will support our sports teams and houses during events throughout the year using a mix of choreographed dances, routines and verbal cheers - giving them the chance to improve their coordination, flexibility and performance. BRING IT ON TEAM PH!

Please note: children who participate during Spring Term will be given first preference for Summer Term, in order to allow preparation for a final performance.

Screen Golf (Prep 4-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Screen Golf is a club that welcomes golfers of all abilities to improve their skill set as well as develop their knowledge and understanding of the sport. Pupils will be coached by qualified instructors and supported by a member of staff from Phoenix House school. Golf is an excellent sport to engage in as it develops discipline, challenges you mentally and is a popular sport used for networking.

History Club (Prep 4-6)

History Club will give members the chance to explore the near and distant past through a combination of multimedia, stories and digital artefacts. We will ask questions, uncover the truth and meet many fascinating and intriguing characters along the way. Children will be encouraged to ask questions and identify periods and historical characters that they would like to know more about, and contribute their observations and opinions on past events.

Big Brother, Big Sister (Prep 5-6)

In this club you will develop leadership skills that will prove useful at Rugby School Japan. If you want to be a mentor and role model to our younger pupils, then this is exactly the club for you. We will support our younger brothers and sisters in their clubs. We'll share in their delight and joy, we'll help them overcome obstacles, and we'll show them the values of Phoenix House.

Lunchtime Sewing Skills (Prep 1)

This is a club where we will be getting creative with threads, learning basic sewing skills and working on creative projects. This club will combine problem-solving with practical learning.

Lunchtime Chess Club (Prep 1-3)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Eduard A. Nunes is a master chess player who has retired from competition to focus on teaching the Game of Kings, particularly to kids. Identified as a math and chess prodigy, he first won the Junior Chess Championship in his native Trinidad and Tobago at the age of 13, and the National Chess Championship a few years later. He represented his school and country on numerous occasions and has also competed internationally in the Caribbean, Canada, and the United States.

Having developed his own curriculum, Eduard incorporates a simple but powerful mathematical approach similar to that used by AI software. His method emphasizes strategy, critical thinking, concentration, patience, and resilience, while fostering self-confidence, good sportsmanship, and social skills that benefit children far beyond the chessboard.

Lunchtime Football Club (Prep 2-3 and 4-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Please note- this club will run for 30 minutes on Mondays and 30 minutes on Wednesdays for the same group of students- 1 hour of coaching per week. Please ensure you are available on both lunchtimes before registering.

Directed Mr. Gary J. White, a globally recognized English FA (The FA) UEFA Pro licensed professional football coach, who has coached teams in the J league, MLS, China, England and competed in 3 FIFA world cup competitions. The Star 1 Soccer Program is a great place for any football enthusiast, who is looking to improve their skills, work hard, make new friends and have fun! Our global recognized coaching team implements the renowned star 1 soccer curriculum, covering the technical , physical , tactical and social needs of the modern player for the future game. Our mission is to provide our players with the tools to improve and to enjoy football for life!

Lunchtime Maths Club (Prep 1-3)

Lunchtime Maths Club is open to all children who enjoy exploring maths and want to be challenged with puzzles, problems, and games that stretch their thinking. It is equally a great opportunity for children who would like a little extra practice and confidence-building in a supportive and fun environment. Maths Club is about developing problem-solving skills, building resilience, and most importantly, enjoying maths together.

Lunchtime Cross-stitch (Prep 5-6)

In this club we will be learning basic cross-stitch techniques to work on individual projects that the children will bring home at the end of the term. This club will combine problem-solving with creative and practical learning and allow students to explore stitch patterns and colour use.

TUESDAY

Screen Golf (Prep 1)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Screen Golf is a club that welcomes golfers of all abilities to improve their skill set as well as develop their knowledge and understanding of the sport. Pupils will be coached by qualified instructors and supported by a member of staff from Phoenix House school. Golf is an excellent sport to engage in as it develops discipline, challenges you mentally and is a popular sport used for networking.

Junior Bookworms (Prep 1-2)

Do you love books? Do you want to read even more books and discuss them with other children? Then become a junior bookworm! This club aims to nurture your child's love of reading. Reading for pleasure helps us grow our vocabulary and has such a positive impact on academic achievement.

Young Illustrators (Prep 1-3)

Young Illustrators is a place where stories spark imagination. We explore a variety of tales and use them as inspiration to create vibrant, original illustrations filled with creativity.

Little Voices Choir (Prep 1-3)

This is a vocal ensemble where pupils can develop their singing skills and confidence in performing whilst learning pop, Disney and musical theatre classics! Alongside developing their singing skills, pupils will also learn basic dance and movement skills and will experience regular performance opportunities throughout the year. Please note- preference will be given to students who participated in Spring Term due to performance preparation.

Hip Hop Dance (Prep 1-3 and 4-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Hip hop is a unique, exciting and vibrant form of dance. We are so lucky to have partnered with the expert dance instructors from Form and Freedom to offer high-quality classes focusing on styles of dance that are very much steeped in the cultures from which they emerged. This is certain to be a very popular club, and we are excited to see our young dancers perform their energetic dances on stage.

For this activity, the Prep 1-3 session runs from 15:30-16:25, and Prep 4-6 runs from 16:30-17:25. If you are in Prep 4-6, you are welcome to sign up for an additional club to attend before your session starts.

Coding (Prep 3-4)

Are you interested in video games, robots, and enjoy a challenge? In this club, you will enhance your critical thinking skills and develop your computing knowledge through different coding challenges and projects!

Japanese Debate Club (Prep 3-6)

In this club, pupils develop their ability to express ideas clearly and confidently in Japanese through discussion and debate. Selected members will also have the opportunity to take part in an inter-school Japanese speech and debate competition. A certain level of Japanese speaking and writing skills is required.

Yoga (Prep 3-6)

Yoga will provide a calm and relaxing atmosphere to develop flexibility, strength, and balance. Mindfulness will also be an element of exploration within the club!

Cross Country (Prep 4-6)

Cross Country Club gives pupils the chance to enjoy running in a group, explore local running routes, such as the Imperial Palace, and improve their sporting fitness.

Creative Cooks (Prep 5-6)

This is the perfect club for all our budding young chefs. We will be measuring ingredients, following recipes, and cooking up a storm in the kitchen. There will be a small additional charge to cover the cost of ingredients.

Please note: due to the popularity of this activity- you will only be able to attend for one term per year.

Art Club (Prep 5-6 (and Parents optional!))

Art Studio Sessions for the oldest pupils and parents wanting to hone their art skills. Classes will focus on different skills, including still life drawing, portraiture, life drawing, painting and sculpture.

Coding (Prep 5-6)

Are you interested in video games, robots, and enjoy a challenge? In this club, you will enhance your critical thinking skills and develop your computing knowledge.

Improvised Acting Club (Prep 5-6)

Improvised Acting Club is a fun and energetic space where children can build confidence, creativity and teamwork skills through drama games and spontaneous performances. Each session is full of laughter as pupils work together to create characters, stories and scenes on the spot. There are no scripts to memorise, just imagination, quick thinking and a willingness to have a go!

Lunchtime Cricket Club (Prep 2-6)

Cricket Club is a fun and active way for pupils to develop their skills, teamwork and confidence. Sessions will include batting, bowling and fielding practice, as well as friendly games where everyone has the chance to take part. Whether children are newer to cricket or already enjoy the sport, this club offers a supportive environment to learn and improve.

Lunchtime Gymnastics (Prep 4-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

We are excited to welcome back TNG for Lunchtime Gymnastics Club, focusing on core floor skills, building strength, flexibility, and coordination. Children will practice rolls, handstands, cartwheels, and jumps, emphasising fundamentals over equipment. Partner stretches and basic beam walks also enhance balance. Children will develop agility through round-offs and dynamic jumps and complete floor routines with L-sits to strengthen their upper bodies. TNG prioritise consistent skill development, fostering a strong foundation in gymnastics and aerobics.

This lunchtime club will take place from 12 pm-1 pm. Children will have the chance to eat their lunch together and will return to class for their afternoon lessons as normal.

Lunchtime Chess Club (Prep 4-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Eduard A. Nunes is a master chess player who has retired from competition to focus on teaching the Game of Kings, particularly to kids. Identified as a math and chess prodigy, he first won the Junior Chess Championship in his native Trinidad and Tobago at the age of 13, and the National Chess Championship a few years later. He represented his school and country on numerous occasions and has also competed internationally in the Caribbean, Canada, and the United States.

Having developed his own curriculum, Eduard incorporates a simple but powerful mathematical approach similar to that used by AI software. His method emphasizes strategy, critical thinking, concentration, patience, and resilience, while fostering self-confidence, good sportsmanship, and social skills that benefit kids far beyond the chessboard.

This lunchtime club will take place from 12 pm-1 pm. Children will have the chance to eat their lunch together and will return to class for their afternoon lessons as normal.

WEDNESDAY

Aikido (Prep 1-3 and 4-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Aikido is a Japanese martial art that focuses on redirecting force and restraining attackers. Training is done in a completely cooperative manner in order to improve our skills, develop empathy for our partners, and learn to face challenging situations. Aikido is fun, and the instructor's passion for their art shines through in all the activities in class.

Spanish (Prep 1-2 and Prep 3-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

We are delighted to partner with the Instituto Cervantes to provide high-quality language lessons as part of the Phoenix House enrichment programme. Experienced Spanish teachers will deliver a course which will develop the communication skills of our pupils. The emphasis will be on speaking and listening, and sparking an interest in the language and culture of Spanish-speaking countries by playing games, singing songs, and enjoying craft activities.

Drama (Prep 2-4)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

We are delighted to partner with The Learning Circle to provide speech and drama classes to our Prep 2, 3 and 4 children. These sessions will involve a range of speaking and performing exercises that focus on developing clear speech and confident communication. Through an exploration of poetry, reading aloud, drama games, performance and improvisation, children spark their imagination, think creatively and learn to perform and present. The stage is set for an environment that stimulates children to interact, explore, learn and grow.

Green STEM Club (Prep 3-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Discover how science and nature come together in our Green STEM Club! Students will learn to grow real plants without soil using hydroponic towers. Through hands-on experiments, they'll explore water, light, and nutrients while learning about sustainability and the future of farming. Watch your greens grow—and taste the results of your own science!

Fencing (Prep 4-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Fencing is a fast and dynamic sport, popular in UK prep schools and around the world. The sport is great for all-round fitness, but since you need to make lightning-fast decisions, it is also excellent for concentration and focus. We are delighted to partner with Nova Fencing to offer high-quality, safe fencing lessons onsite at Phoenix House.

Karate Club (Prep 1-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Karate-do (the way of karate) is a Japanese martial art. It consists of learning punches, strikes, blocks and kicks that are practiced in the form of kihon (basics), kata (pre-arranged forms) and yakusoku kumite (pre-arranged attack and defense), and Kumite (free sparring). The Karate class will introduce the traditional karate training environment and the basic stances, techniques and sequences.

Our method of teaching traditional Karate is steeped in centuries of martial culture and is designed to teach earnest students the beginning concepts of Karate. Its goal is to provide the student with the skills and knowledge necessary for advance in rank acquisition in the Japanese Karate community. Attention will be also made to teaching students proper etiquette and protocol essential to successful martial arts training.

Lunchtime Myths and Legends (Prep 2-3 and 4-6)

Come to Myths and Legends Club to learn incredible stories from around the world! We will enjoy drawing along to the stories we hear and also have a go at designing our own mythical monsters and heroes.

Lunchtime Artists-in-Residence (Prep 4-6)

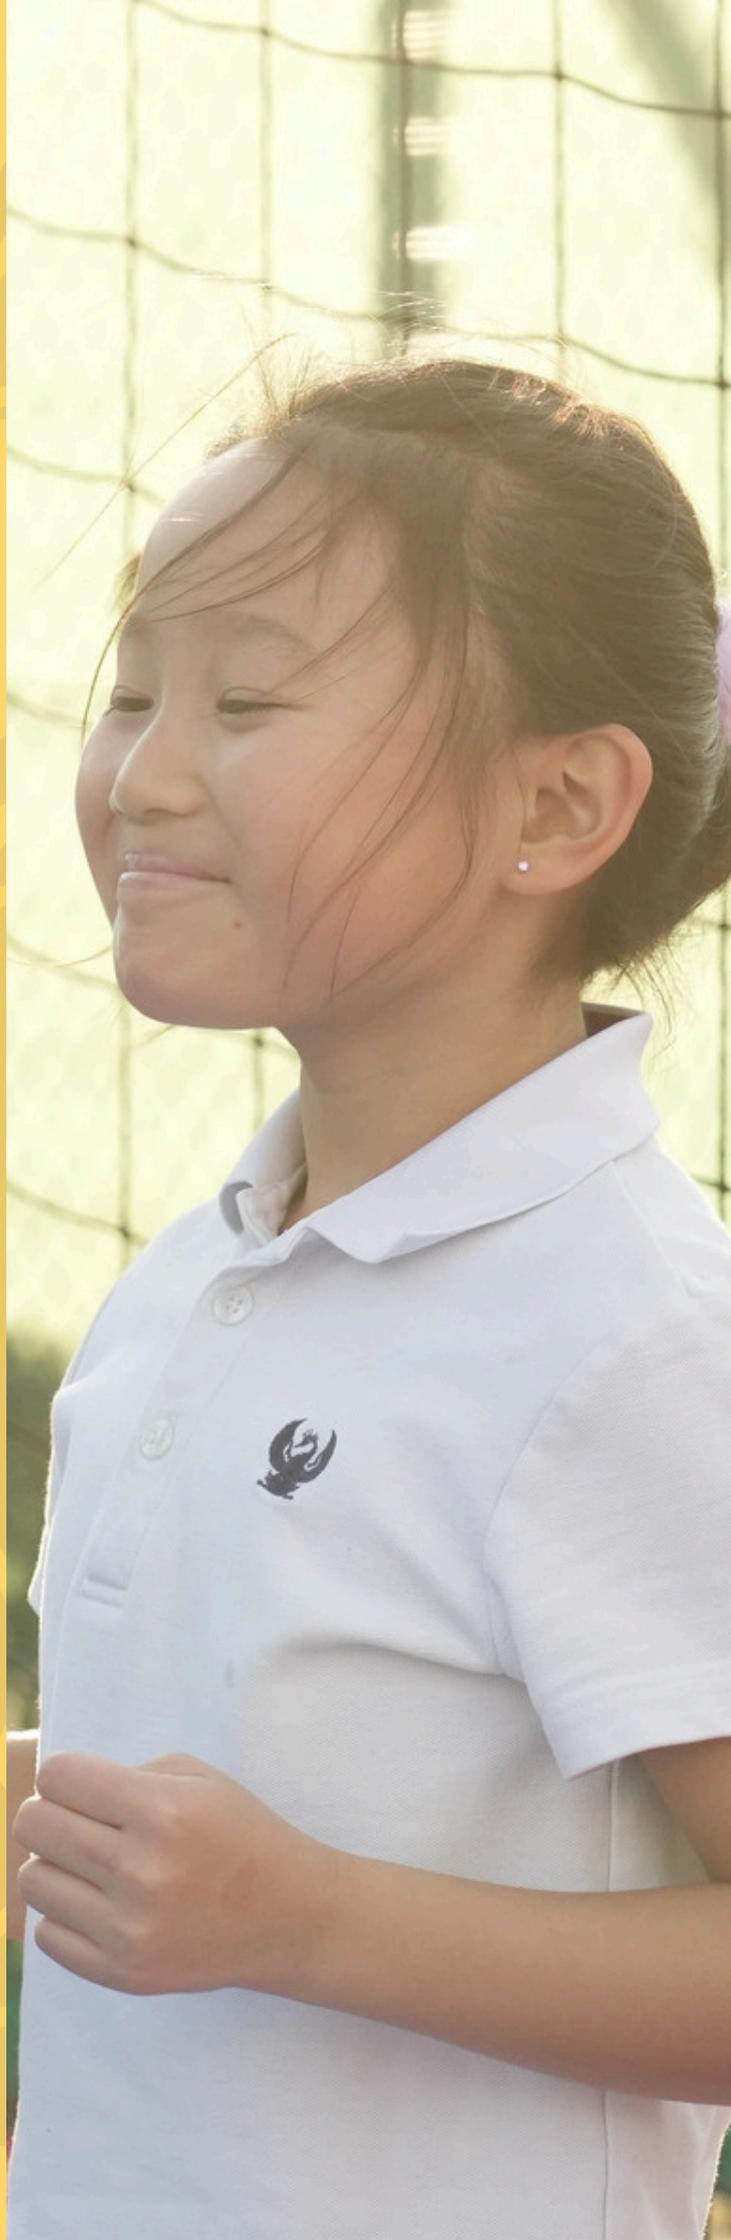

For those who already love art and want to get their artwork out there! Team up to build amazing sets for the school play, take on exciting local and national competitions, and use your creativity to leave your mark on the school and beyond.

Lunchtime Football Club (Prep 2-3 and 4-6)

Please see the entry under Monday Lunchtime for full details. This will run for 30 minutes on Mondays and 30 minutes on Wednesdays for the same group of students- 1 hour of coaching per week. Please ensure you are available on both lunchtimes before registering.

Lunchtime Maths Club (Prep 4-6)

Lunchtime Maths Club is open to all children who enjoy exploring maths and want to be challenged with puzzles, problems, and games that stretch their thinking. It is equally a great opportunity for children who would like a little extra practice and confidence-building in a supportive and fun environment. Maths Club is about developing problem-solving skills, building resilience, and most importantly, enjoying maths together.

Lunchtime Break Dance (Prep 4-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

We are delighted to partner with TNG Dance Academy to provide lunchtime break dance lessons as part of the Phoenix House enrichment programme. TNG is a professional dance group that provides dance learning programmes for children. The programme offered to Phoenix House children is break dance - a fun and very active form of dance. The aim is to improve dance skills and physical development, such as strength and body coordination. Of course, self-expression, confidence and self-esteem are also developed as a supportive and encouraging environment is created. This lunchtime club will take place from 12 pm-1 pm. Children will have the chance to eat their lunch together and will return to class for their afternoon lessons as normal.

THURSDAY

Lego Club (Prep 1)

In Lego Club, pupils will build individual and group projects, from simple structures to complex designs, based around a weekly theme. The club fosters creativity, teamwork, and hands-on learning, helping pupils develop engineering skills, improve fine motor abilities, and have fun while solving challenges.

Little Artists (Prep 1-2)

Art Studio Sessions. An opportunity to roll up your sleeves and get stuck into art activities in the Studio! Drawing, painting, printmaking, clay, collage, sculpture...

STEAM Club (Prep 1-3)

In STEAM Club, pupils explore Science, Technology, Engineering, Art, and Maths through hands-on activities and projects. Each session, they'll engage in creative challenges, experiments, and problem-solving tasks, using both teamwork and individual skills. The club encourages critical thinking, creativity, and innovation while developing real-world skills and fostering a love of learning.

Little Stars (Prep 1-3)

Our Little Stars Club is a fun and creative space where children can explore dance, drama, and music. Through games, songs, and simple performances, children will build confidence, develop creativity, and have fun expressing themselves. It's a great way for little ones to learn the basics of performing while making new friends and enjoying the spotlight!

Fencing (Prep 1-3)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Fencing is a fast and dynamic sport, popular in UK prep schools and around the world. The sport is great for all-round fitness, but since you need to make lightning-fast decisions, it is also excellent for concentration and focus. We are delighted to partner with Nova Fencing to offer high-quality, safe fencing lessons onsite at Phoenix House.

Collage Club (Prep 1-4)

An opportunity to immerse yourself in a state of flow while learning new crafting techniques. We will produce a variety of different collage pieces, which will allow you to be creative in a calm, relaxing space.

Judo (Prep 1-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

In Judo, children will learn in a very traditional way about how to use their bodies to control balance, create mechanical advantages, and obtain superior positions in relation to their opponents. The club will be broken down into three parts: 1. Conditioning exercises, 2. Technical instruction on technique, and 3. Practice of previously acquired skills. Once children have reached a level of proficiency in Judo, they will have the opportunity to earn their belts in assessments and compete at a tournament.

Sewing and Textiles Club (Prep 2-3)

Our Sewing Club gives children the opportunity to explore creativity while learning a practical, lifelong skill. Pupils will work on fun projects as they practice sewing techniques, improve fine motor skills, and build patience and confidence. By the end of the term, each child will complete their very own handmade project to take home and be proud of!

Screen Golf (Prep 3)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Screen Golf is a club that welcomes golfers of all abilities to improve their skill set as well as develop their knowledge and understanding of the sport. Pupils will be coached by qualified instructors and supported by a member of staff from Phoenix House school. Golf is an excellent sport to engage in as it develops discipline, challenges you mentally and is a popular sport used for networking.

Tech Squad (Prep 3-4)

Develop science, design and technology and teamwork skills as you undertake an exciting design project where you learn to create and make lots of different things using a wide range of materials and tools. A chance for young inventors to get creative and build whatever their minds can dream up!

Video Podcasting (Prep 3-6)

In this club, you will learn how to share your stories and ideas through video. We will start with simple questions and turn them into podcast topics. You will write a script, record your ideas on camera, and see them come alive on the screen. Finally, we will learn how to publish your work so others can watch and enjoy it. If you enjoy being creative and want to share your voice with the world, this is the club for you.

Ukulele Club (Prep 4-6)

Discover the joy of music with Ukulele Club! Unleash your creativity as you learn to strum and sing along to a wide variety of tunes in a fun and supportive group environment. Together, we shall nurture our musical talents and foster a lifelong love for playing the ukulele!

Makerspace (Prep 4-6)

Our Makerspace is dedicated to fostering creativity, collaboration, and hands-on learning. We believe that everyone has the potential to be a maker, and our mission is to provide a platform where pupils can engage in various activities that promote innovation, problem-solving, and skill development.

Table Tennis (Prep 4-6)

Discover the excitement of table tennis! Whether you're picking up a bat for the first time or looking to sharpen your game, our club is the perfect place to play, practise and improve. With top-quality tables, plenty of rallies, and a welcoming atmosphere, you'll enjoy a sport that combines quick thinking, skill, and energy. Come along and be part of the action!

Japanese Manga Club (Prep 4-6)

This club is a great place for young artists and manga fans to enjoy Japanese comics. Come along if you like drawing, reading, or learning about your favourite characters. In this club, you will learn to draw manga-style characters, explore famous manga and their history, create your own mini manga, and discover Japanese storytelling. (Japanese speaking skill required)

Coding (Prep 5-6)

Are you interested in video games, robots, and enjoy a challenge? In this club, you will enhance your critical thinking skills and develop your computing knowledge.

Musical Theatre (Prep 5-6)

This club will combine singing, spoken dialogue, acting and dance to create magical theatrical performances. Children in this club will have opportunities to showcase their talents on stage, helping to build their confidence and learn important life skills that will stand them in good stead when they move to senior school. Pupils who sign up in September must commit to the club until Christmas. Please note, due to the popularity of this club, first preference will be given to students who have not previously attended.

Lunchtime Cross Stitch (Prep 3-4)

In this club we will be learning basic cross-stitch techniques to work on individual projects that the children will bring home at the end of the term. This club will combine problem-solving with creative and practical learning and allow students to explore stitch patterns and colour use.

Lunchtime Cricket Club (Prep 2-6)

Cricket Club is a fun and active way for pupils to develop their skills, teamwork and confidence. Sessions will include batting, bowling and fielding practice, as well as friendly games where everyone has the chance to take part. Whether children are newer to cricket or already enjoy the sport, this club offers a supportive environment to learn and improve.

1:1 LAMDA Lessons (QUEST) (Prep 1-6)

This club has an additional cost of ¥7,700 + tax per session and booking is via the attached [Google Form](#). Please only complete the form if you are not currently taking LAMDA lessons.

Build confidence and performance skills through weekly, 30 minute, 1:1 LAMDA sessions with Ms Law and Ms Brierley. Pupils will select their performance pieces, develop their voice, and fully prepare to take the LAMDA Verse and Prose public speaking exams later in the school year at Phoenix House.

FRIDAY

Open Library (Children and parents)

After school, families are invited to spend time together in our welcoming school library, sharing stories, discovering new favourites and enjoying the wonderful range of books on offer. Children must be accompanied by an adult, and will be dismissed with that adult at the end of their visit.

Stay for the full hour or simply pop in for a short while – whatever works for your family. Browse, read together in a comfy corner, and borrow books to enjoy at home. There's no need to attend every week – just sign in when you arrive and enjoy a relaxed, book-filled afternoon together.

Fencing (Prep 1-3)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Fencing is a fast and dynamic sport, popular in UK prep schools and around the world. The sport is great for all-round fitness, but since you need to make lightning-fast decisions, it is also excellent for concentration and focus. We are delighted to partner with Nova Fencing to offer high-quality, safe fencing lessons onsite at Phoenix House.

Board Game Club (Prep 1-4)

Come along and enjoy board games together! If there are any board games you would like to suggest, we would love to play them!

Ballet (Prep 1-6)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

We are pleased to welcome back The Ballet Garden to Phoenix House. Their mission is to cultivate a love for ballet and to offer our pupils a genuine British-accredited ballet education environment. The curriculum is based on the 'Cecchetti Method', which led the birth of Ballet in the UK. The lessons will be delivered by two professional ballet teachers and a pianist.

Please note: children who participated during Spring Term will be given first preference for Summer Term, in order to allow preparation for a final performance.

Screen Golf (Prep 2)

This club is delivered by an external specialist teacher and has an additional cost. Details will be available on SOCS.

Screen Golf is a club that welcomes golfers of all abilities to improve their skill set as well as develop their knowledge and understanding of the sport. Pupils will be coached by qualified instructors and supported by a member of staff from Phoenix House school. Golf is an excellent sport to engage in as it develops discipline, challenges you mentally and is a popular sport used for networking.

Origami Club (Prep 3-5)

Pupils will explore the Japanese art of paper folding in this hands-on club. Using just a sheet of paper, they will learn various ways to create three-dimensional animals, plants, and geometric designs. As their skills develop, they will discover how origami can be used in real world fields such as architecture, fashion, robotics, and product design. This club nurtures creativity, focus, fine motor skills, and problem solving, all while having fun.

Photography & Media (Prep 3-6)

Observe and discover the world through a new lens! The Photography Club is where the children will learn to see different perspectives, explore cool techniques, and express themselves through digital photography. No fancy gear needed, just curiosity and a love for capturing moments. Please note: children will be required to bring their own camera to this club.

Intermediate Chess (Prep 3-6)

Chess club is an opportunity for children to cultivate a passion for the 'Game of Kings'. Sessions will be based around game play and developing strategies. This club is for intermediate players so please ensure you are familiar with the rules of chess before signing up for this club.

Stop Motion (Prep 5-6)

Let your creativity be explored through stop motion! We will be learning how to use a stop motion iPad app to create an animation. This club will explore various means to create the animations. This club will be focusing on intricacy and will have an emphasis on being mindful of detail.

Badminton (Prep 4-6)

Badminton is a fun and inclusive sport that will help improve technical skills, such as motor skills and coordination.

Choir (Prep 4-6)

This vocal ensemble supports pupils in developing good singing technique, pitch accuracy and harmony skills through singing more challenging songs in 2-4 part harmony. Pupils will experience a range of music from Classical to Contemporary and Musical Theatre, and will get the opportunity to perform at a number of events throughout the year. Please note- preference will be given to students who participated in Spring Term due to performance preparation.

Lunchtime Cricket Club (Prep 2-6)

Cricket Club is a fun and active way for pupils to develop their skills, teamwork and confidence. Sessions will include batting, bowling and fielding practice, as well as friendly games where everyone has the chance to take part. Whether children are newer to cricket or already enjoy the sport, this club offers a supportive environment to learn and improve.
